

modulesand::computebihamonicfilter2d

```
graph LR; A[modulesand::computebihamonicfilter2d] --> B[modulesand::boundarycondition]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'modulesand::computebihamonicfilter2d'. The right box is white and contains the text 'modulesand::boundarycondition'. A blue arrow points from the right side of the gray box to the left side of the white box.
