

modulecfformat::t_date

- date

-next

The diagram shows a vertical rectangle divided into three horizontal sections. The top section contains the text 'modulecfformat::t_date'. The middle section contains the text '- date'. The bottom section is empty. A curved line originates from the right side of the middle section, loops around, and ends with a small diamond shape pointing back to the right side of the bottom section. To the right of this loop is the text '-next'.
