

moduleturbulence::leendertseemodel

moduleturbulence::turbulence

```
graph LR; A[moduleturbulence::turbulence] --> B[moduleturbulence::leendertseemodel]
```

A diagram showing a dependency relationship between two modules. A blue arrow points from the module 'moduleturbulence::turbulence' on the right to the module 'moduleturbulence::leendertseemodel' on the left. The left module is highlighted with a gray background, while the right module has a white background. Both modules are enclosed in black rectangular boxes.
