

modulesediment::computeconsolidation

modulesediment::modifysediment

```
graph LR; A[modulesediment::modifysediment] --> B[modulesediment::computeconsolidation]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'modulesediment::computeconsolidation'. The box on the right is white and contains the text 'modulesediment::modifysediment'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a function call or dependency.
